Subject: agreement on terms of ATP settlement with SRC

Hi All,

Erika and I heard back from SRC's attorney today regarding the final details we were negotiating in the ATP settlement with SRC. We are in agreement on all terms. The one remaining item that was resolved today relates

to the amount of payment EPA will receive if the property is sold. We agreed on \$325,000 or 50% of the net income from the sale, whichever is less. As we discussed “whichever is less” is model language so we were only negotiating the dollar amount and percentage. Erika and I will route the agreement through EPA and DOJ for final approval. You should see that concurrence package from me early next week, if not tomorrow.

Take care,
Kris
